Hi Leon and Diana!

I hope you're both hanging in there - it's been super crazy the last few weeks.

I wanted to follow up on the Care Team service for 957 Wilshire Place in Olympic Division that was scheduled for service yesterday. I have a couple questions I hope you can help me with:

-Can we confirm that the Care team went to this location yesterday?
-I attached two photos of the encampment below. It looks like the individuals parked a trailer in the street and placed a tent on top of it. Should we get DOT involved to help out with this?

Best,
Milene
